15                  MALE SPEAKER: Hello. I'm interested in  
16                  purchasing and finding out more information about  
17                  the Singing Happy Birthday Book?

18                  FEMALE SPEAKER: The Book?

19                  MALE SPEAKER: Yes.

20                  FEMALE SPEAKER: What kind of book?

21                  MALE SPEAKER: Yes, um, hello? My phone  
22                  doesn't work right, and I can't hear -- ah.

23                  FEMALE SPEAKER: What kind of book?

24                  MALE SPEAKER: Oh, it's, ah, the one that  
25                  makes music, I looked online and it said it was

1 like Jam Jones (phonetic) something.

2 FEMALE SPEAKER: Ah, what kind?

3 MALE SPEAKER: There's, ah, -- it's a  
4 book that you that you press, and it sings Happy  
5 Birthday I think in 36 languages -- 36 noises.

6 I'm trying to find more information about it.  
7 It's a soft -- a soft book.

8 FEMALE SPEAKER: We I don't have anything  
9 like that.

10 MALE SPEAKER: It's a Joan, a Joan M-I-Z-  
11 R-A-C-H-I.

12 FEMALE SPEAKER: Yeah, that's the last  
13 name of the owner of the store.

14 MALE SPEAKER: Yeah, so, um, it's called,  
15 um, -- because I have it on the internet, and the  
16 internet site, and then I called the number.

17 It's called the singing Happy Birthday Book.  
18 It says, ah "Style 27296 --

19 FEMALE SPEAKER: Yes, but we don't have  
20 it.

21 MALE SPEAKER: You don't have it anymore?  
22 Because it was on the internet.

23 FEMALE SPEAKER: Nope, we don't have it.  
24 Nope.

25 MALE SPEAKER: You don't have it?

1 FEMALE SPEAKER: No.

2 MALE SPEAKER: Okay, ah, okay, so it was  
3 jammed. Okay, thank you so much.

4 FEMALE SPEAKER: Okay.

5 MALE SPEAKER: I'll try again later.  
6 Okay, bye.

7 FEMALE SPEAKER: Bye.

8 ANSWERING MACHINE: "Hi. You've reached  
9 the phone of Audrey Starch. Please leave your  
10 name and phone number and I will get back to you  
11 as I can. Thank you for calling." At the tone  
12 please record your message. When you have  
13 finished recording, you may hangup or press one  
14 for more options. To leave a call back number  
15 press five.

16 TONY: Hey, this is from Tony Fatonovich  
17 (phonetic) I left you an e-mail you were supposed  
18 to call me back. Call me at my number here I will  
19 be here another 20 minutes, (973)742-1832. I'm  
20 interesting in buying some stuff, thank you very  
21 much. Okay, bye bye.

22 TONY: Hello?

23 FEMALE SPEAKER: Hello, Tony?

24 TONY: Yes. Who's this?

25 AUDREY STORCH: This is Audrey Storch.

1           TONY: Oh, so I'm interested in buying  
2 some stuff from you. I am a clown, and you got my  
3 e-mail, right?

4           AUDREY STORCH: Yeah, I got your e-mail.  
5 How did you hear about us?

6           TONY: Well, I did a search for different  
7 things. I went to Oriental Trading Express  
8 (phonetic.) I'm looking for different items. I  
9 just did a random search. I work in a library at  
10 Passaic, and I just started searching, and I just  
11 stumbled upon your website.

12          I was just looking for singing books, and I  
13 don't like, what Button Books?

14          FEMALE SPEAKER: Right.

15          TONY: So I just stumbled upon you, and  
16 it looked interesting. But I called your other  
17 number, and I didn't get anybody.

18          AUDREY STORCH: Yeah, the number for Jam  
19 (phonetic) right.

20          TONY: But then they gave me another  
21 number on the website, whatever that number was  
22 they didn't say -- you still sell birthday books?

23          AUDREY STORCH: This is what's going on,  
24 Tony. There's good news, and there's bad news.  
25 Due to circumstances out of our control up to ten

1 years we had to close Jams (phonetic) doors. But  
2 the good news is we do have, ah, a person right  
3 now, and another person later that you can  
4 definitely get the Birthday Book from. I can take  
5 your order. It is through Gift Land Hallmark  
6 (phonetic.) You still get um. If you want to  
7 pick them up or we can ship them to you. She's  
8 right in Wayne.

9 TONY: Yeah, I probably will do where  
10 they ship them. I work -- I'm going to have a  
11 birthday party the 17<sup>th</sup>, May 17, and --

12 AUDREY STORCH: (Inaudible.)

13 TONY: And in order for me to get  
14 reimbursed I need like -- I need the subscription  
15 or anything I order in print, ah, you know,  
16 because that's what they need when I do balloons  
17 and stuff  
18 Qualatec Balloons (phonetic) I have to write  
19 Qualatec Balloons, and have a description like  
20 when I buy from Ken's Magic Shop (phonetic) and  
21 somebody -- I saw some other books in there I  
22 would be interested in too, besides the Birthday  
23 Book. Like, ah, -- I didn't see a Bingo book,  
24 but, ah, -- you don't have a Bingo book that goes  
25 "Bingo was his name-o." Or anything like that?

1 AUDREY STORCH: No, no. Sorry.

2 TONY: The Old McDonald book --

3 AUDREY STORCH: We don't manufacture  
4 those. We never did those.

5 TONY: Yeah. The Old McDonald book I  
6 would be interested in though.

7 Do you have any thing else besides those -- I  
8 only saw three books, the ABC Book and the Old  
9 McDonald Book, and the Birthday Book.

10 Do you have anything else besides those? I  
11 only saw three books. The ABC Book, the Birthday  
12 Book, and the Old McDonald Book. Do you have any  
13 thing else like any other children's songs?

14 AUDREY STORCH: Ah, no. Those are the  
15 three we invented to start with.

16 TONY: So this --

17 AUDREY STORCH: The other product we have  
18 if you are going to children's hospitals and stuff  
19 like that, you don't sing, but they've been a huge  
20 a help. And actually as a clown you have a lot of  
21 fun with them, and do things with them.

22 Did you look at the Hug You Miss You Dog  
23 (phonetic) the Huggable picture frames?

24 TONY: Ah, is that the thing where you  
25 put the face in, ah.

1           AUDREY STORCH: It's not a face. It's a  
2 huggable picture frame. Some people put a face in  
3 it, but it's really meant to be a huggable picture  
4 frame.

5           So you just put any picture of a family in it.

6           TONY: Oh, ah, okay. Well, right now I  
7 just want to buy to start, because I'm going to  
8 have a lot of parties in the summertime. I would  
9 like to buy the Happy Birthday Book. And maybe  
10 since you don't have a Bingo book, how about Old  
11 McDonald Had A Farm Book.

12           AUDREY STORCH: Whatever, Gift Land has,  
13 I will take the order and bring it to them and  
14 whatever they have in stock if they have it in  
15 stock it's yours. But, um, I can give them a call  
16 and see.

17           TONY: Okay. Um, and I just need and  
18 itemized, because I need -- if buy it I need to  
19 get reimbursed, I need an itemized report of  
20 exactly what it is so when I sell it to the  
21 costumer I have to show him how much.

22           If -- here's a question. Like in the future,  
23 if I buy a whole bunch, because I just want to buy  
24 one of each now, of the Happy Birthday Book and  
25 the, ah, and the Old McDonald Farm Book. If I buy

1 like a whole bunch, like let's say I buy five or  
2 six at a time, because sometimes I have three  
3 parties a week. Um, will I get a better discount,  
4 or because since Jams not working or whatever that  
5 company was, is it hard to get now or how does  
6 that work?

7 AUDREY STORCH: Well, right now until  
8 Gift Land supplies run out it might end up being  
9 hard for a little bit. Then after that there is  
10 another company, ah, that will be having the  
11 stock.

12 And you will be able to get from them.

13 TONY: Okay.

14 AUDREY STORCH: Now, when you buy whole  
15 sale five or six isn't a lot. It's dozen at a  
16 time.

17 TONY: I have to buy a dozen at a time.

18 Okay.

19 AUDREY STORCH: Otherwise we'll get a  
20 discount off of retail. Their plan will give you  
21 a bit of a difference off retail though.

22 TONY: What's the other company, and if I  
23 buy 12 how much is the other discount?

24 AUDREY STORCH: When you buy 12 at a time  
25 -- well, when you are buying 12 at a time, are

1 using them to give them out to the kids or just as  
2 your --

3 TONY: Well, I give it to the main kid of  
4 whose ever birthday it is, because it would just  
5 cost me too much if I gave it out to everyone.

6 AUDREY STORCH: Right. So it would be  
7 like a party planner. Like an event person, okay,  
8 yeah, all right you would be under that category,  
9 no problem.

10 If you buy 12 at a time, you will get a whole  
11 sale price then.

12 TONY: Do you know, how much?

13 AUDREY STORCH: So the Happy Birthday you  
14 would get at \$10 each, that's whole sale pricing.  
15 They are normally 20. Um, and they, ah, large Old  
16 McDonald and ABC -- well, the large Old McDonald  
17 Farm is 14.50 for 12. It retails for 30.

18 TONY: Okay.

19 AUDREY STORCH: The ABC is 27 sound chips  
20 so that's 19.50 for 12, but those two also she  
21 will put batteries in for you. You will get  
22 batteries free of charge. You'll get them, and  
23 you will just insert them yourself.

24 TONY: Okay. Um, I would like to place  
25 an order of one of the Birthday books, and one of

1 the -- how much is the Birthday book right now,  
2 without the discount?

3 AUDREY STORCH: Normally, you know, you  
4 double everything. Normally it is 19.95 for the  
5 Birthday, 29.95 for the Farm, and 39.95 for the  
6 ABC.

7 What we do for a situation like this --

8 TONY: Yes.

9 AUDREY STORCH: -- ah, if Gift Land is  
10 willing to, ah, to do discounting. She will let  
11 you get the Birthday book at, excuse me, 12.95.

12 TONY: Yes.

13 AUDREY STORCH: All right. She will give  
14 you a serious break.

15 TONY: Yes.

16 AUDREY STORCH: She will give you the Old  
17 McDonald Farm and the ABC she will -- you will get  
18 the both for 19.95, okay?

19 TONY: The ABC I didn't want today, but  
20 the other two I wanted. Can you e-mail me the  
21 exact cost item description on my e-mail, then I'm  
22 going to go, um, --

23 AUDREY STORCH: You can get it right off  
24 the website. You could just click it right off  
25 the website.

1           TONY: Well, they want to have they want  
2 me to have the exact thing, my company. Cause  
3 usually I deal with Oriental Trading Express  
4 (phonetic) and they give me an itemized list when  
5 I order stuff like that. It makes it a lot easier  
6 for me or else the costumers won't pay me. So  
7 that' the only reason I need that.

8           AUDREY STORCH: Well, I know Gift Land, I  
9 know when you buy they will give you a receipt  
10 with a full description.

11           All right. So what would you like them to do?  
12 Type up --

13           TONY: I would like them to send me an e-  
14 mail me of the exact cost and item description.

15           Oh, and also, how old how old are the Birthday  
16 books for? Like how --

17           AUDREY STORCH: I've sold them for all  
18 ages. I've given them out to my uncle who turned  
19 80. My cousin who turned 60, my niece who was  
20 eight.

21           TONY: Can I like -- what's the youngest  
22 child?

23           AUDREY STORCH: Uh, they say for any age.  
24 Don't give the magic marker to a one-year-old.  
25 Give it to the parent until they get a little

1 older.

2 TONY: Okay, yeah.

3 AUDREY STORCH: The magic marker part.

4 But if they get the battery compartment out

5 nothing can happen to them it is safe.

6 TONY: Yeah, okay. So long as I get the  
7 e-mail that says, exactly what it is, so that I  
8 get reimbursed, that's all I'm worried about.

9 Then I will buy one of the Happy Birthday, and one  
10 of the Old McDonald's. And my e-mail is

11 Tonythecomix@Yahoo.com or you got it already.

12 Tonythecomix@Yahoo.com.

13 AUDREY STORCH: I'm actually on vacation  
14 right now, but I will call Joan and Bob, and, um,  
15 in the future let me give you their number too.

16 TONY: Okay. Let me write it down. Ah,  
17 I have to go get a pen, I apologize. I'm at my  
18 house so, um, --

19 AUDREY STORCH: (The recorder is too far  
20 away to hear. Typed to the best of my ability.)

21 Transition of what happened with Jam. And  
22 their local -- so I'm not really involved. I'm  
23 just like connecting you --

24 TONY: Oh, thank you.

25 AUDREY STORCH: -- to the store that's it.

1 TONY: What's the number?

2 AUDREY STORCH: It's 973 --

3 TONY: 973.

4 AUDREY STORCH: 694.

5 TONY: 694.

6 AUDREY STORCH: 5529, 5529.

7 Now, you don't have a resale tech ID number so  
8 you would have to pay tax, New Jersey and  
9 shipping. TONY: Now, who do I contact at that  
10 number?

11 AUDREY STORCH: Joan, and Bob.

12 TONY: Joan and Bob.

13 AUDREY STORCH: I'll give them a call,  
14 and I will tell them what you need.

15 TONY: What's the last name, ah --

16 AUDREY STORCH: I don't have it in front  
17 of me, Honey. I'm away on vacation it's on my  
18 computer their last name. I forgot. I don't  
19 know.

20 TONY: Okay. Um, --

21 AUDREY STORCH: They're the owners. Just  
22 say, "Joan and Bob." They're the owners.

23 TONY: Okay.

24 AUDREY STORCH: They are regular stores  
25 that sell these products. They've been selling

1 for years.

2 TONY: Okay, thank you.

3 AUDREY STORCH: (Inaudible) and, um, let  
4 you know. Who reimburses you if you work for  
5 yourself?

6 TONY: Well, whenever I go to a party I  
7 -- the companies that I work for -- like I'm going  
8 to a church this time, and in a church they are  
9 going to be paying me back.

10 AUDREY STORCH: Oh.

11 TONY: So for example the church is going  
12 to be paying me, and they need to me like get --  
13 so if I work for a bigger company example -- let's  
14 say whoever I work for -- I haven't worked for the  
15 hospital in awhile. Like Saint Joe's Hospital.  
16 If I get something like an itemized list of what I  
17 get.

18 So if I ever bought from Toy's R Us they want  
19 the exact receipt so I can give that to them.

20 I make a photocopy of the receipt and hand it  
21 in so that is like an example.

22 AUDREY STORCH: A receipt is something  
23 they will give you. Once you purchase it.  
24 Normally, for something like this, you know, there  
25 are stores that normally don't do this, ah, after

1 they purchase it they will give you a full  
2 itemized receipt, but I will ask them if they will  
3 do this.

4 TONY: Yeah, ask them if they will do it,  
5 cause I need an itemized receipt, cause that's the  
6 only way I can do business with you, all right  
7 cause without that, otherwise --

8  
9 AUDREY STORCH: Why can't it be when it's  
10 purchased? Why can't it be shipped with the  
11 order?

12 TONY: I need to say exactly -- ah, --  
13 because -- I want to say exactly -- I wanted to  
14 ask the church's permission before I buy it.  
15 Because I can show them a print out so that I can  
16 get my money back. I don't know, that's how we do  
17 it. You can contact my fiancé who is going to be  
18 my manager, and I contacted you.

19 Sorry, that's how we do it. Thank you so much  
20 though, okay.

21 AUDREY STORCH: All right, okay. My  
22 pleasure. Thank you for calling, Tony. They  
23 appreciate it. (Inaudible.)

24 TONY: Okay. So I call Joan and Bob.  
25 You don't have their last name, okay.

1 AUDREY STORCH: You don't need it. Just  
2 ask for Joan or Bob.

3 (This conversation ended and a new call is  
4 being made.)

5 ANSWERING MACHINE: Thank you for calling  
6 Gift Land or Gold Crown Hallmark Store. Located  
7 on Hamburg Turnpike in Wayne. Our hours of  
8 operation are Monday through Friday, ten a.m. to  
9 nine p.m. Saturday from ten a.m. until eight p.m.  
10 And Sunday from 11 a.m. until five p.m.

11 Should you have any questions about Hallmark  
12 promotions, please press three. Should you have  
13 any questions about everyday promotions, please  
14 press four.

15 For all other questions, please press zero.  
16 Your call is being transferred. (End of machine.)

17 FEMALE SPEAKER: Good Afternoon, Gift  
18 Land.

19 TONY: Hello. This is Tony, ah, Audrey  
20 Storch just told me to call. I'm trying to get a  
21 Birthday Book price --

22 FEMALE SPEAKER: Okay. Hold on a second.  
23 Let me connect you.

24 TONY: Hello, ah, this is Tony.

25 FEMALE SPEAKER: Yes.

1 TONY: I just talked to Audrey Storch and  
2 she told me to talk to either Bob or I think Joan?

3 FEMALE SPEAKER: Yes.

4 TONY: Um, yeah, ah, I'm interested in  
5 getting, ah, birthday books, and, um, ah, um, Old  
6 McDonald Farm Book. I'm only going to buy one of  
7 each. But, um, I'm a clown I think -- or I hope  
8 she told you I'm -- in the future I would like to  
9 buy a lot more.

10 FEMALE SPEAKER: Yes.

11 TONY: And maybe, ah, but what I need so  
12 I get reimbursed is I need a, ah, a description of  
13 everything I ordered. Like, ah, --

14 FEMALE SPEAKER: Well, she said, -- I  
15 just spoke to her. And she said, the thing is  
16 that everything is on the website. In other  
17 words, if I send you anything, it's not going to  
18 have any pictures, is not going to have anything -  
19 - it only -- it's just written out. Okay?

20 TONY: Okay. The problem is --

21 FEMALE SPEAKER: The website has  
22 pictures.

23 TONY: The only thing clients need a  
24 receipt with the words, cause like let's say I go  
25 to Toy's R Us, and --

1 FEMALE SPEAKER: It doesn't have all the  
2 words. One of them sings Old McDonald, and it has  
3 animals sounds. And the other one sings Happy  
4 Birthday, and that's it.

5 TONY: I apologize, I'm sorry I said it  
6 the wrong way. Um, I know, on the receipt I need  
7 a detailed description like when I buy let's say  
8 candles. It has to "Candles" like for a \$1.25, so  
9 that I get reimbursed. When I buy Qualatec  
10 Balloons (phonetic) for when I do the animal  
11 balloons for the kids. I need to say, like when I  
12 go to the Ken's Magic Shop (phonetic) I need the  
13 receipt that says Qualatec Balloons a hundred for  
14 ten dollars.

15 FEMALE SPEAKER: Right.

16 TONY: So I need me to say exact  
17 description.

18 FEMALE SPEAKER: Right. What I'm saying  
19 is that the website has a better description of  
20 what they are. The suggestive retail is 29.95 for  
21 the Old McDonald Farm.

22 TONY: Yes.

23 FEMALE SPEAKER: Your cost would be  
24 19.95.

25 TONY: Yes. I'm explaining wrong. I

1 mean on the receipt I'll need like --

2 FEMALE SPEAKER: I would have to be  
3 selling it to you to give you a receipt.

4 TONY: Okay.

5 FEMALE SPEAKER: I can't send you a  
6 receipt for something you didn't pickup.

7 TONY: Okay.

8 FEMALE SPEAKER: Okay. So once I buy it  
9 the receipt will say, ah, like, um, like animal --  
10 McDonald Farm and it will say the price -- oh, and  
11 also what's the return policy if it breaks and  
12 how long does it last?

13 FEMALE SPEAKER: No. These are -- this  
14 is a closeout thing. There is no return.

15 TONY: Oh, no returns. So I'm trying --

16 FEMALE SPEAKER: This this is a closeout  
17 of a company and there's no return.

18 TONY: Okay, I didn't understand that.  
19 Okay, but would there still be a description on  
20 the receipt saying exactly what it is?

21 FEMALE SPEAKER: Well, I can writeup --  
22 well, I can writeup -- well, actually it is going  
23 to be a register receipt it's not going to be -- I  
24 could write a receipt with a description on it.

25 TONY: Yes. That would help me because I

1 need that for reimbursement, so I would have to  
2 know. I then I would like to know --

3 FEMALE SPEAKER: Yes.

4 TONY: I have a birthday party May 17<sup>th</sup>,  
5 um, and I'm doing it for a church, and so if you  
6 can, I would like to pay you by check or money
